Learning outcomes & description

DESCRIPTION

This module aims to provide learners with knowledge of conflict mediation methods relevant to acute and/or complex issues in reception. The module also equips learners with the knowledge and skills necessary to identify appropriate strategies to mediate, de-escalate and resolve complex conflict situations in reception, such as those occurring with local communities and stakeholders.

It covers cultural dimensions, and conflict mediation theories, supported by case-based scenarios to practice culturally sensitive mediation. Learners then explore underlying causes of conflicts and effective strategies to manage acute and complex situations.

LEARNING OUTCOMES

At the end of this module, the learner will be able to:

Knowledge

1. Outline methods to mediate acute and complex conflicts in reception.

2. **Identify appropriate strategies to manage acute and complex conflict situations in reception.**

DELIVERY METHOD

This module is delivered through a blended learning approach, combining online studies and face-to-face sessions.

The online component focuses on learning activities to support progress and self-assessment, and face-to-face sessions focus on complex topics requiring discussion and practice.
