Learning outcomes & description

DESCRIPTION

This module aims to provide learners with the necessary knowledge, competence and skills to communicate effectively through an interpreter.

It covers tips and follow-up actions to address potential breaches of conduct by the interpreter with a focus on the criteria for selecting an interpreter, the skills needed to communicate through an interpreter and how to handle challenging situations when communicating through an interpreter. It also addresses the interpreter's code of conduct and gives tips on how to address possible breaches of conduct by the interpreter.

It prepares learners to apply this knowledge in the context of procedures, tasks, responsibilities of officers working with interpreters requested in the asylum and reception contexts.

LEARNING OUTCOMES

At the end of this module, the learner will be able to:

Knowledge

1. **Identify actions and basic communication skills to enable effective communication through an interpreter in the asylum related contexts.**

2. **Identify potential follow-up actions in cases of potential breaches of conduct by the interpreter.**

Skills

3. **Apply actions and basic communication skills to enable effective communication through an interpreter in the asylum related contexts.**

4. **Apply potential follow-up actions in cases of potential breaches of conduct by the interpreter.**

Competences
