Learning outcomes & description

DESCRIPTION

This module aims to provide learners with the knowledge of legal avenues, additional and complementary to resettlement, drawing on good practices implemented on a European and global level.

It covers key objectives, components, processes and essential protection principles of these complementary pathways, with a focus on potential challenges and best practices in implementation.

LEARNING OUTCOMES

At the end of this module, the learner will be able to:

Knowledge

1. **Identify the objectives and central principles of complementary pathways and the applicable EU and international legal framework.**

2. **Identify the different complementary pathways, their key considerations and main stakeholders involved.**

Skill

3. **Apply key considerations of complementary pathways to plan for their implementation.**

Competence

4. **Participate in carrying out tasks relating to the implementation of complementary pathways.**

DELIVERY METHOD

This module is delivered entirely online, through self-paced learning.

ASSESSMENT STRATEGY

The assessment strategy is based on one assessment conducted at the end of the module.

The assessment is based on multiple-choice questions and is designed to assess learners' knowledge on complementary pathways in relation to the learning outcomes of the module.
