EASO’s age assessment practice in Europe publication

EASO’s age assessment practice in Europe publication
The EASO age assessment practice in Europe publication is now available online on EASO’s website. The purpose of this publication is to provide practical support to Member States in the field of age assessment. While the aim of this publication is to address age assessment in the specific field of asylum, it may also serve as a useful reference in other areas where age assessment is key.
