Pact training

The tailor-made training products on the new legal framework stem from the Pact on Migration and Asylum. These self-paced training sessions give learners the chance to benefit from the tailor-made training on the Pact at their own pace and focus on relevant parts, namely:

- The Asylum Procedure in the Pact on Migration and Asylum
- The Reception Conditions Directive in the Pact on Migration and Asylum
- The new Asylum and Migration Management Regulation (AMMR)
- Vulnerability in the Pact on Migration and Asylum

Additionally, EUAA will be offering a fifth product, a crash course on the Pact (“Pact on Migration and Asylum: Key Legislative Changes”), which will incorporate all the four key areas mentioned above.
