Learning outcomes & description

DESCRIPTION

This module aims to provide learners with knowledge and skills to conduct asylum interviews and assess evidence in cases of applicants with diverse SOGIESC.

It covers the determination of whether an applicant qualifies for refugee status in line with the Qualifications Regulation.

LEARNING OUTCOMES

At the end of this module, the learner will be able to:

Skills

1. **Apply advanced interviewing strategies to plan, prepare, conduct and document interviews with applicants with diverse SOGIESC.**

2. **Evaluate evidence, interview transcripts and specific relevant Country of Origin Information against legal requirements for cases of diverse SOGIESC.**

3. **Justify, in fact and in law, decisions on cases of applicants with diverse SOGIESC.**

DELIVERY METHOD

This module is delivered through a blended learning approach, combining online studies and face-to-face sessions.

The online component focuses on learning activities that assess progress toward the learning outcomes, and the face-to-face sessions focus on managing complex cases of diverse SOGIESC that require discussions and work groups.
